

Demak Group

Plan, Focus, Look Alive and Reach the Peak

Corporate Deck - 2026

demakturkiye.com

About us

Demak Group is not only a supplier but also a business and solution partner. While aiming to meet the expectations of its customers fully, it always prioritizes the quality of the products and services it offers. In addition to having a procurement power vast enough to build a city, it continually refreshes itself to meet the changing and growing demands.

At the core of Demak Group's success lie teamwork, honesty, quality focus, and continuous innovation. By adhering to these values, it has strengthened its position as a leader in the industry.

Demak Group has a broad customer portfolio and a successful track record in its field of operation, and it will continue its investments with confidence, maintaining its work with steady steps.

About us

Both in our country and worldwide, procurement is the fundamental necessity of large projects. Demak Group was established in 2004 to become a "trustworthy cornerstone" company to professionally execute and manage all procurement processes, primarily building materials and industrial products. The gap in procurement management expertise in our country has been an inspiring and motivating factor for Demak Group.

Demak Group, founded by Fatih Mehmet Seyman and Naci Murat İpekesen, considers addressing this gap as its founding purpose and centers its perspective around the motto "Procurement comes first in all projects," distinguishing Demak Group from its competitors in the market.

Over the past 20 years, it has made a magnificent journey, maintaining its commitment to business ethics and quality standards with a passionate approach centered around customer satisfaction. At every step, it prioritizes sustainability and has upheld its dedication to business ethics and quality standards.

FOCUS ON SOLUTION / SUCCESS / SATISFACTION

PLAN FOR THE FUTURE

ACHIEVE THE TOUGH

REACH FOR PERFECTION

REMAIN A LEADER

The management team of Demak Group possesses a leadership vision that is aware of the responsibilities of maintaining a constant presence at the top in the procurement sector. Demak is an organization that invests in people and focuses on providing the best service to its customers. It is managed with a perspective that looks confidently towards the future in the business world, reflecting the spirit of leadership in the brightest manner and never giving up on investing in people.

The successes of Demak Group domestically have begun to manifest themselves in foreign markets identified in line with our strategic goals. Our vision is to be recognized as a pioneer in the procurement sector on a global scale and to become the foremost brand worldwide. We are determined to continue our constant improvement and innovative strategies to achieve this goal.

OUR MISSION

- To consistently excel in the procurement sector,
- To continuously generate new values for customers, employees, and society,
- To provide high-quality products and services.
- In line with these goals, to utilize resources efficiently and establish reliable and long-term business relationships,
- To create a work environment where employees feel valued,
- To consistently maintain a high level of social responsibility,
- To champion our country's and especially local producers' presence in foreign markets, serving as a standard-bearer for brand value and recognition.

Installment and Infrastructure | Koriges

Koriges

- PIPE
- ADDITIONAL PART
- CORRIDOR MANHOLE
- CORRIAGE PERFORATED PIPE

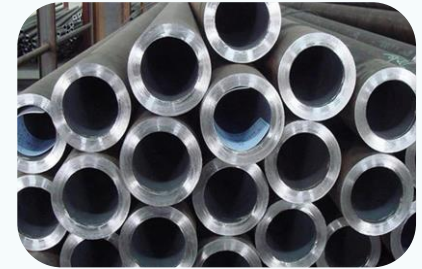

Installation and Infrastructure | HDPE

HDPE

- HDPE 100 PIPE, PE 32 PIPE, PRE-INSULATED GEOTHERMAL PIPES
- ADDITIONAL PART
- COLLECTORS
- HDPE 100 PERFORATED PIPE

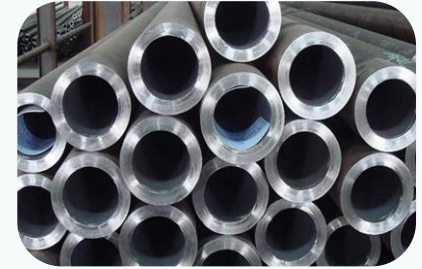

Installation and Infrastructure | Steels

Steels

- DRAW STEEL PIPES, SPIRAL WELDED STEEL PIPES, STEEL DRILLING PIPES
- ADDITIONAL PART

Installation and Infrastructure | Steels

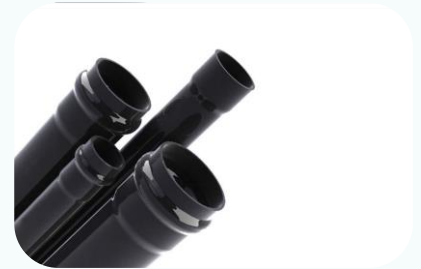

Steels

- DRAW STEEL PIPES, SPIRAL WELDED STEEL PIPES, STEEL DRILLING PIPES
- ADDITIONAL PART

Installation and Infrastructure | PVC

PVC

- U-PVC CLEAN WATER PIPE AND FITTINGS
- U-PVC WASTE WATER PIPE AND FITTINGS
- U-PVC TUNNEL TYPE DRAINAGE PIPES
- U-PVC DRAINAGE PIPES
- O-PVC PIPE AND FITTINGS

Installation and Infrastructure | PPRC

PPRC

- PPRC COMPOSITE PIPES
- PPRC FOIL PIPES
- PPRC FITTINGS (Sleeve, elbow, tee, plug, mini valves, collectors, tap, nipple, battery connection, radiator valves)

Installment and Infrastructure |

Sprinkler Systems

Sprinkler Systems

- SPRINKLER PIPE
- DRIP IRRIGATION PIPE
- HDPE 100 COIL PIPE
- COUPLING LOCKING ADDITIONAL PARTS (SLEEVE, ELBOW, TEE, PLUG, etc.)
- DRIP IRRIGATION FITTINGS
- DRIP IRRIGATION DOVE CAP FITTINGS
- FLAT DRIP IRRIGATION FITTINGS
- COUPLING VALVES
- VALVE BOXES
- CONTROL UNITS, ROTORS, SPRINKLER, NOZZLES etc.

Installment and Infrastructure |

Composite and PP

Composite and PP

- MANHOLE COVER, GRILL DUCTS, MANHOLE MANHOLE BOX, ADDITIONAL ROOMS etc.

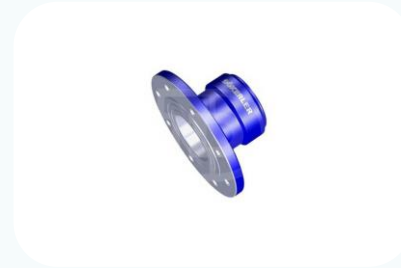

Installation and Infrastructure | Casting

Parts and Repair Clamps

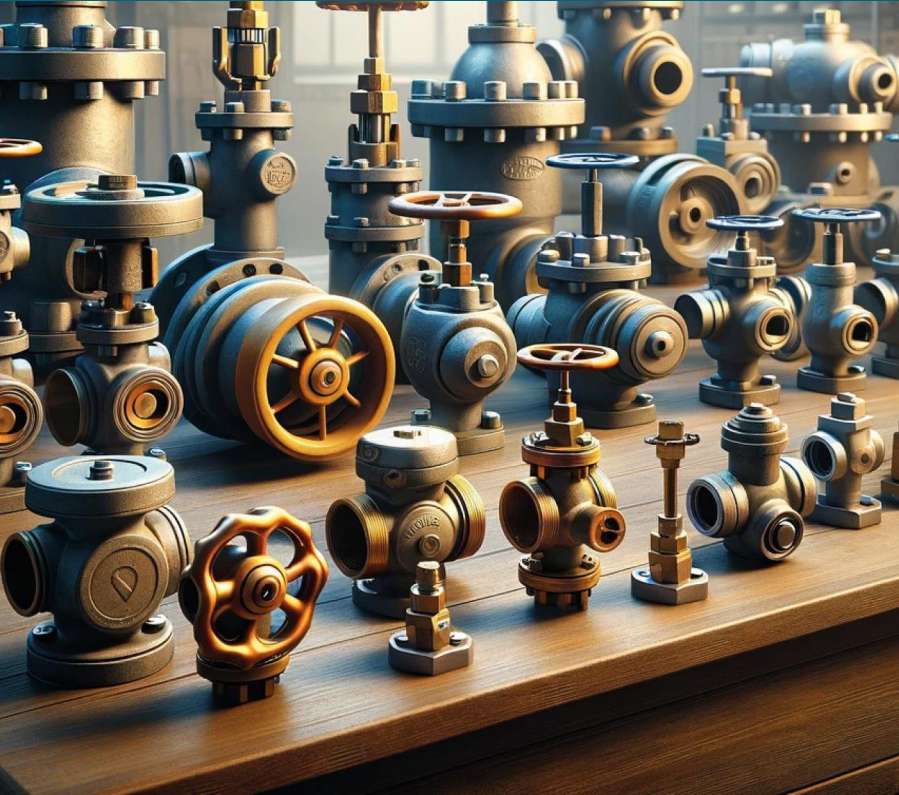

Casting Parts and Repair Clamps

- G-E PART, G-F PART, G-MA PART, G-MMA PART, G-MMB PART, G-MMG PART, G-MMR PART, G-Q PART, SOCKET NECKLACE, N PART etc.

Installation and Infrastructure |

Infrastructure Valve

Casting Parts and Repair Clamps

- G-E PART, G-F PART, G-MA PART, G-MMA PART, G-MMB PART, G-MMG PART, G-MMR PART, G-Q PART, SOCKET NECKLACE, N PART etc.

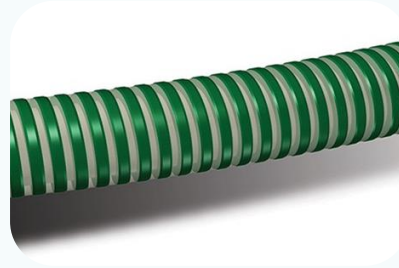

Installation and Infrastructure | Welding Machines

Welding Machines

- EF WELDING MACHINE (Welding between $\varnothing 20\text{MM}$ - $\varnothing 1600\text{MM}$ can be done.)
- Butt Welding Machine (Manufacturing can be done for welding between $\varnothing 40\text{mm}$ - 1600MM .)

Installment and Infrastructure | Hoses

Hoses

- RUBBER HOSES, TRELLEBORG HOSES, PLASTIC HOSES, FLEX HOSES, COMPOSITE HOSES, HYDRAULIC HOSES etc.

Installation and Infrastructure | Firefighting

Firefighting

- FIRE CABINET
- FIRE VALVES
- FIRE HYDRANTS etc.

Installment and Infrastructure | Sanitary Wares

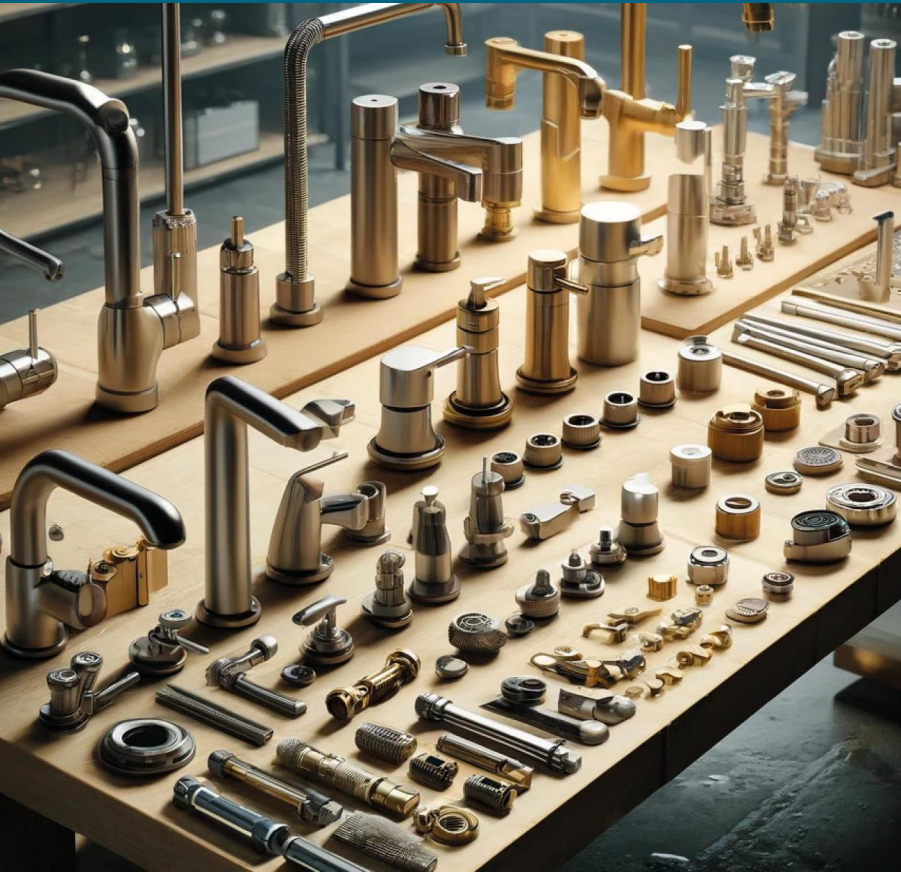

Sanitary Wares

- SINK AND PEDESTAL, TOILET STONE, TUB, URINAL, WC SEAT, TOILET SEAT, Cistern, ACCESSORIES AND CONNECTION PARTS

Installment and Infrastructure | Armatures

Armatures

- SINK MIXERS, BATHROOM MIXERS, SHOWER MIXERS, KITCHEN FAUCETS, TUB MIXERS, BIDETA FAUCETS, PHOTOCCELL MATTERIES, TIMER MATTERIES, PHYSICALLY DISABLED MATTERIES, DISABLED GRAB BARS, THERMOSTATIC FAULTERS, TAPS

Installation and Infrastructure | Heatings

Heatings

- PE-X PIPES
- PE-X FITTINGS

Installation and Infrastructure | Galvanized

Galvanized

- GALVANIZED PIPE
- GALVANIZED FITTINGS (ELBOW, TE, NIPPLE, FITTING, CROSS TIE, SLEEVE, PLUG, STEEL FLANGE, BLIND FLANGE)

Installation and Infrastructure | Brass

Brass

- VALVE AND FITTINGS (ELBOW, TE, NIPPLE, FITTING, COUPLING, PLUG etc.)

Installation and Infrastructure | Pumps

Pumps

- WASTEWATER PUMPS
- CLEAN WATER PUMPS
- HYDROPHORES etc.
